KIRANO SERIES

Kirano is a high quality glazed porcelain tile [type Bla-GL]. It is ideally suited to interior design projects; modern interiors that are designed to be noticed, such as shops, offices, residential developments, etc. It is highly resistant to staining and virtually maintenance free.

Suitable for all internal areas subject to low/medium foot traffic, it is incredibly durable and highly resistant to wear, both in residential and light commercial applications.

A series of decorative/special pieces accompanies this range. Please enquire for details.
