### XUBI SERIES

An elegant and hard wearing series with surface textures evoking reminiscences of nature.

XUBI is an exact reproduction of French granite designed to enrich and decorate interiors and exteriors in a contemporary style.

Both matt and relief finishes provide a good slip-resistant finish making it an excellent choice for use in areas subject to wet pedestrian traffic.

Strong, hard wearing and easy to maintain, XUBI is an excellent choice for residential and commercial interiors.

A series of decorative/special pieces accompanies this range. Please enquire for details.
