RENO SERIES

With its delicate tones and modern colours this range represents a leap forward in modern production technology.

Available in three surface finishes in a 450mm2 format size. The three finishes allows for their various use within the same installation area, making it possible to match the same colour in various surfaces to obtain a general and well-balanced chromatic tone.

A stunning range suited to projects in the home as well as commercial specifications.

A series of decorative/special pieces accompanies this range. Please enquire for details.
