TECH SERIES

A highly versatile series available in six contemporary, minimal colourways.

The series is available in a wide variety of format sizes up to a giant 500x1000mm format size. The designer is provided with further options with the availability of three different surface finishes; slip resistant, polished as well as a standard matt finish.

A truly inspirational range suitable for interior and exterior projects up to a commercial level.

A series of decorative/special pieces accompanies this range. Please enquire for details.
