TERRA MARCATA SERIES

Terra Marcata stratifies the material and creates structural and colour variations which always differ from one another, providing a new point of arrival against the interpretation of nature.

Terra Marcata reaches the highest peaks of ceramic technology applied to the continual improvement of its quality to increasingly satisfy the market.

Terra Marcata is everything; it is matter, technology, nature, residential, commercial, inside, outside, floors, tiling, it is The present.

A series of decorative/special pieces accompanies this range. Please enquire for details.
