TECHNICAL INFORMATION

This product meets all relevant BS, EN or ISO standards.

Please note: Technical information relating to this product is available on request.

SQUARES SERIES

A contemporary range displaying a very subtle surface structure of 'squares, within squares'.

The range is presented in two colourways; White and Cream. To suit modern installations with a strong interior design theme.

Recommended for use within domestic & residential and some public area projects.

The range is accompanied by a clean, strip border, adding a decorative option.
