## TECHNICAL INFORMATION

This product meets all relevant BS, EN or ISO standards.

**Please note:** Technical information relating to this product is available on request.

### TRADICION SERIES

A simple, fresh range comprising three rich colours, accompanied by a plain white tile, all with an undulating/bumpy surface finish.

The coloured tiles have a slightly mottled look, providing a sense of depth to the finish.

Ideal for contemporary designs, within domestic & residential and some public area projects.

The range is accompanied by a contemporary border and motif, adding a decorative option.
