TECHNICAL INFORMATION

This product meets all relevant BS, EN or ISO standards.

Please note: Technical information relating to this product is available on request.

TRAVERTINO SERIES

A range which reproduces the look of Travertine stone.

The series is available in 3 format sizes for walls, including a rectified format 440x884mm, which really shows off the design of the tile.

Ideal for projects demanding a classic stone wall tile design. Especially suited for domestic & residential and some public area projects.

The range is accompanied by a series of traditional and contemporary borders and motifs, adding a decorative option.

The range is accompanied by a floor tile range – **Travertino**.
