Please note: Technical information relating to this product is available on request.

VIBE – MATT SERIES

A stunning wall tile range with contemporary, matt colours.

The series is available in four colours; white, cream, cocoa and anthracite. It is available with a plain colour finish as well as a textured, lined finish. Accompanying this is a combed tile which, when used in groups of four creates a circle effect.

This is a series that will create real impact, where the design scheme requires a fashionable, upmarket look.

Ideal for use in domestic, residential and some public area environments.

The range is accompanied by a series of traditional and contemporary borders and motifs, adding a decorative option.

A second VIBE series is available; **VIBE – GLOSS**.

A matching floor tile range accompanies this series.
