### PROJECT COLOUR 200 SERIES

A vast array of colours is available in this series, which is also suitable for use on the floor.

The series is available with a satin sheen surface finish. Available in 34 colours in a 200mm<sup>2</sup> size format, this series has been designed to co-ordinate with the **Project Colour – Floor Series**; *Solid Colours, Fine & Course Texture*.

[Please see Floor Catalogue]

The series incredible tonal versatility and range of chromatic intensity makes it a highly creative design tool.

A range suited to all internal, public area & external projects.

[Please enquire for floor specification suitability]

A series of decorative/special pieces accompanies this range. Please enquire for details.
