

PRODUCT INFORMATION

OPPOLO

A 'fresh and funky' high quality solution for all your residential, retail and leisure project requirements.

OPOLLO is a high quality and visually stunning wall and flooring solution, ideal for modern interiors that are designed to be noticed.

Introduction

The OPPOLO series is a contemporary series providing the interior designer with vibrant colours to produce sensational design schemes. The highly glazed, glass like surface finish has a funky, retro feel with the subtle surface design.

OPPOLO is modern, versatile and fresh. A superb series for use in residential, leisure and retail interiors.

Application

OPPOLO is a highly glazed, white-bodied ceramic tile. It is available in rectified and non-rectified edges and is suitable for all internal wall tile schemes, with an accompanying floor tile, suitable for light, non-commercial traffic.

Sizes & Finishes

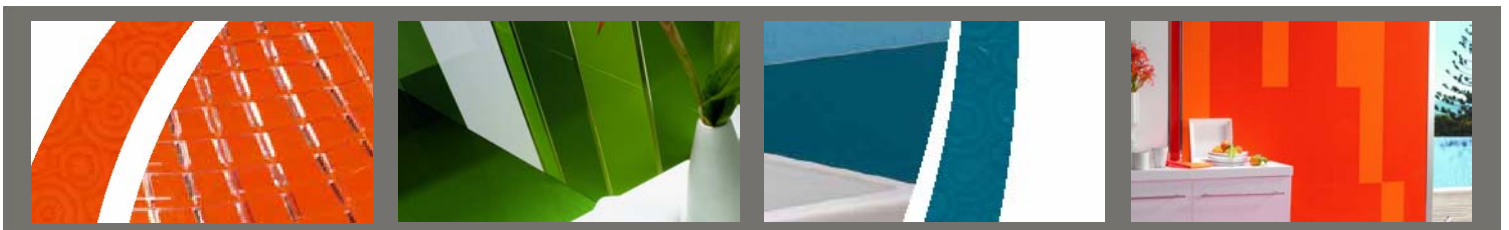

OPPOLO is supplied in the following formats;

Wall: 330x600mm, 320x590mm (Rectified), 157x590mm (Rectified), 50x590mm strip (Rectified)

Floor: 330x330mm, 320x320mm (Rectified), 157x590mm (Rectified)

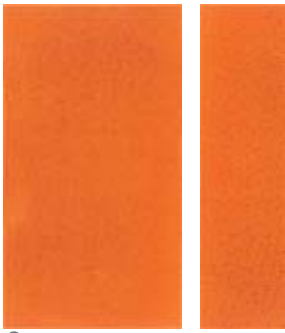

It is available in a highly glazed finish, with a subtle patterned surface design.

A selection of 'Aluminium strips' accompanies the series.
